

3rd International Conference on Wireless Communications and Applications (ICWCA2019)

Haikou, Hainan; December 21-23, 2019

Organization Committee

General Chair

Prof. Chong Shen

Prof. Dr.Roumen Kountchev

Prof.Dr.Madjid Tavana

Publication&Programme Chair

Prof. Dr.Srikanta Patnaik

Publicity Chair

Prof. Dr.Srikanta Patnaik

General Co-Chair

Prof.Dr. Xilong Qu

Prof.Xian peng wang

Prof. Kun zhang

Prof. Dr. Qinyu zhang

Prof. Dr. Shi Jin

Prof. Dr. Feifei

Prof. Dr. Qian Wang

Prof. Dr. Peng Fei

Prof. Dr. Zhuang Li

Technical Program Committee

Wensi Wang, Beijing University of Technology

Hui Gao, Beijing University of Posts and
Telecommunications

Agrawal, Dharma P., University of Cincinnati, USA

Atiquzzaman, Mohammed, University of Oklahoma,
USA

Balakrishnan, N., Indian Institute of Science, India.....

PAPER SUBMISSION

Authors are invited to submit full papers(4 to 8 pages in PDF format. Please download the template from conference website and submit full paper at <http://www.icwcaconference.com>

Selected excellent 30 papers will be recommended for publication in EI , SCI Journal

Welcome to the 3rd International Conference on Wireless Communications and Applications (ICWCA2019), the conference will be held in Haikou, Hainan during December 21-23, 2019, which is sponsored by Hainan University and technically assisted by local and international universities. The aim objective of ICWCA is to present the latest research and results of scientists related to electrical, mechanical and computer engineering topics. This conference provides opportunities for the different areas delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

1, ICWCA2019 conference papers will be published in Smart Innovation, Systems and Technologies (ISSN: 2190-3018) by **Springer-Verlag in Smart Innovation, Systems and Technologies (ISSN: 2190-3018)** of this series are submitted to **ISI Proceedings, EI-Compendex, DBLP, SCOPUS, Google Scholar and Springerlink** .

2, Selected 20 papers will be recommended for publication in EI/SCI journal.

Selected papers will be published in an extended form in one of the following journals:

1. *Soft Computing (Indexed: SCI, EI, SCOPUS)*
2. *International Journal of Grid and Utility Computing (Indexed: EI, SCOPUS)*
3. *International Journal of Information and Communication Technology (Indexed: EI, SCOPUS)*
4. *International Journal of Communication Networks and Distributed Systems(Indexed: EI, SCOPUS)*
5. *International Journal of Reasoning-based Intelligent Systems(Indexed: EI, SCOPUS)*

Topics which are included, but are not limited to, are the following:

1. Smart Wireless Communications
2. Network Technology
3. Smart Services and Application

Important Dates:

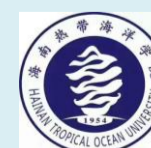

Conference Date: December 21-23, 2019

Deadline : 2019.11.25

Organizers:

Co-Organizers:

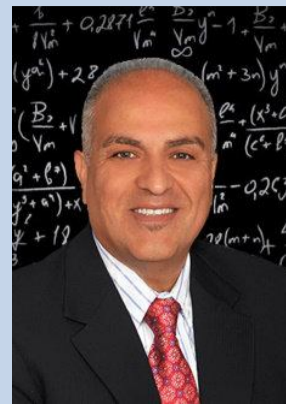

Committee Chair Members and Guests

Prof. Chong Shen
Hainan University
Deputy director of Hainan
University Scientific Research
Office

Prof. Dr. Roumen Kountchev
Faculty of Telecommunications,
Department of Radio
Communications and Video
Technologies at the Technical
University of Sofia, Bulgaria

Prof. Dr. Madjid Tavana
Professor and Distinguished Chair
of Business Analytics Chairman
of the Business Systems and
Analytics Department La Salle

Prof. Dr. Srikanta Patnaik
Department of Computer Science
and Engineering ,SOA
University,

Prof. Xian Peng Wang
Hainan University

Prof. Kun Zhang
Hainan Tropical Ocean
University

Prof. Dr. Qinyu Zhang
Harbin Institute of Technology
Shenzhen

Prof. Dr. Shi Jin
Southeast University

Prof. Dr. Feifei
Gao Tsinghua University

Prof. Dr. Qian Wang
Wuhan University

Prof. Dr. Peng Fei
Huazhong University of Science and
Technology

Prof. Dr. Zhuang Li
Hainan Tropical Ocean
University

About Haikou

Haikou Holiday Beach is the most representative seaside tourist resort in Haikou. With its white sandy beach, clear water, cool sea breeze, bright sunshine, towering coconut palm, green and undulating Casuarina belt, etc. The beautiful nature, and the large-scale amusement facilities with unique design, complete and optimized, novel and affordable style, combined with the popularity and VIP, warm and thoughtful service quality, have been praised by the citizens and tourists who have come here called "City Binhai Grand View Garden"

Wanlv Park is located in the middle of Longhua District, Haikou City, Hainan Province, in the middle section of Binhai Avenue, with a total area of 1070 acres. Wanlv Garden has unique tropical seashore features and ecological landscape architecture. It integrates blue sky, green water, wilderness and modern high-rise buildings. It is mainly based on tropical ornamental plants in Hainan. It also grows tropical and subtropical ornamental plants at home and abroad, fully reflecting the tropical scenery. The characteristics of the seaside, international tourist attractions.

Haikou Shishan Volcanic Group World Geopark is located in Shishan Town, southwest of Haikou City, only 15 kilometers away from the urban area. The west expressway turns to the green corridor and the expressway passes through the park. It is one of the dormant volcanic eruptions of the volcanic eruption activity in the volcanic eruption of the volcanic eruption. It has the value of scientific research, scientific research, popular science and tourism appreciation. 4A level scenic spot, World Geopark, National Geopark.
